

*CLAIM AMENDMENTS*

1. (Presently Presented) A material comprised of a mass of melt-blown non-woven fibers comprised of a terpolymer of tetrafluoroethylene, hexafluoropropylene and vinylidene fluoride monomers.
2. (Presently Presented) The material of claim 1, wherein the vinylidene fluoride monomer is present in the terpolymer in an amount from about 20 to about 65%.
3. (Presently Presented) The material of claim 1, wherein the vinylidene fluoride monomer is present in the terpolymer in an amount of about 36.5 wt.%.
4. (Presently Presented) The material of claim 1, wherein the tetrafluoroethylene monomer is present in an amount from about 30 to about 70 wt.%.
5. (Presently Presented) The material of claim 1, wherein the tetrafluoroethylene monomer is present in an amount of about 44.6 wt.%.
6. (Presently Presented) The material of claim 3, wherein the tetrafluoroethylene monomer is present in an amount of about 44.6 wt.%.
7. (Presently Presented) The material of claim 1, wherein the hexafluoropropylene monomer is present in an amount from about 30 to about 70 wt.%.
8. (Presently Presented) The material of claim 1, wherein the hexafluoropropylene monomer is present in an amount of about 18.9 wt.%.
9. (Presently Presented) The material of claim 5, wherein the hexafluoropropylene monomer is present in an amount of about 18.9 wt.%.
10. (Presently Presented) The material of claim 6, wherein the hexafluoropropylene monomer is present in an amount of about 18.9 wt.%.

11. (Presently Presented) The material of claim 1, wherein the fibers are comprised of a blend of the THV terpolymer and at least one other polymer selected from fluorothermoplastic terpolymers different from the THV terpolymer and homopolymers, copolymers, or terpolymers of polysulfones, polyethersulfones, polyarylsulfones, fluorinated polymers, and polyolefins.

12. (Presently Presented) The material of claim 1, which includes other fibers formed of at least one other polymer selected from fluorothermoplastic terpolymers different from the THV terpolymer and homopolymers, copolymers, or terpolymers of polysulfones, polyethersulfones, polyarylsulfones, fluorinated polymers, and polyolefins.

13. (Currently Amended) A garment which includes a fabric comprised of the material of ~~any one of claims 1-12~~ claim 1.

14. (Currently Amended) A bandage which includes a fabric comprised of the material of ~~any one of claims 1-12~~ claim 1.

15. (Currently Amended) A bulk air flow vent which includes a fabric comprised of the material of ~~any one of claims 1-12~~ claim 1.

16. (Currently Amended) A filtration medium which includes a fabric comprised of the material of ~~any one of claims 1-12~~ claim 1.
